Elizabeth

The Elizabeth pull was the standout star in our Design Office cabinetry addition because of its proportional lines, dynamic finish and custom looking shape.

Asymmetrical flair

Off-Center

In the master bathroom suite I was able to have a little more fun, so I went for the *Off-Center* pull. My clients were hesitant about using it daily, but it has proven to be one of their favorite elements.

Round Rail

Since the new floorplan we designed was much more open, I wanted to create consistency throughout the home by carrying the same Round Rail pull we used in the Kitchen into the laundry room.

Turn of the century

Café
Bronze
Pulls

Steampunk

Taking inspiration from the turn of the century industrial age with a touch of sci-fi style, the Steam Punk movement is known for its heavy emphasis on exposed pipework and liberal use of metal and interesting textures.

Successi

Those tiny details will take your room from lovely to polished. It's like adding a little mascara; we are beautiful without makeup, but a touch of mascara really draws attention to one of the prettiest features of the face. That's what good hardware is.

Metropolitan classic

Sutton Place

The Sutton Place Collection's clean lines and squared-off design offer a tailored and timeless appeal. The rectangular bin pulls are a unique and fresh alternative to the rounded, traditional look.

Metropolitan classic redefined

Sweetbriar Lane

Sweetbriar Lane is a reinvention of its parent, the Sutton Place collection. While Sutton Place is a metropolitan classic, Sweetbriar Lane is more refined and favors a tailored look.

Free Samples

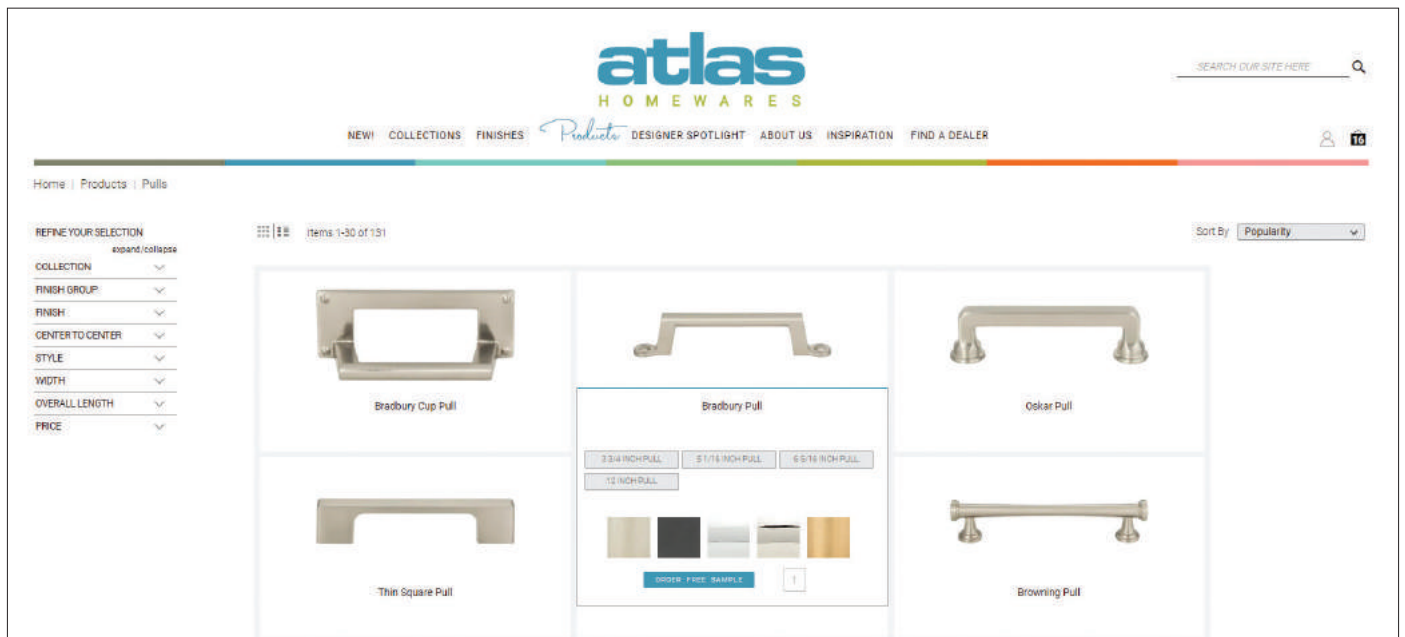

AVAILABLE IN THE US AND CANADA ONLY

Planning your final touches with decorative hardware? Not quite sure what the perfect choice is? Why not get a few samples to help you? Browse our catalog and website to make your selections. Atlas Homewares will mail you up to 3 samples at no charge for the sample. There is a \$5 shipping and handling fee per sample.

Products that qualify for a Free Sample are:

- Any knob, regardless of price
- Pulls that are less than 7" in center-to-center, regardless of price
- If ordering more than one sample, the additional samples must all be different part numbers

Order your free samples on our website www.AtlasHomewares.com. On the website items that qualify for the Free Sample program are indicated in the Item Details section. An "Order Free Sample" button will display if the item is in the program. Select "Order Free Sample" on 1, 2 or 3 knobs and pulls you would like to have mailed to you. They will arrive via USPS, or UPS in Canada.

Make drilling holes for cabinet pulls *easy!*

Part #: TKTEMPLATE

Our new installation template is your all-in-one tool for marking hole locations for cabinet pulls. Use the rulers on the edges of the template to measure your doors and drawer fronts.

The flexible and transparent tool also includes predrilled holes for our most common pull sizes. Simply align the tool with the center of your drawer or your desired location on doors, mark the hole locations from the tool, and drill the holes.

Add part number TKTEMPLATE to your next order!

To watch a video on installing cabinet pulls using our new TKTEMPLATE tool, scan the QR code or go to <https://delivr.com/27w49>.

Dimora Brands operates leading brands in cabinet hardware, door hardware, faucets, lighting, accessories, and related products. Its two operating divisions, Top Knobs and Hardware Resources, are known for the industry's best product offering and service. Each Dimora Brands division proudly serves kitchen cabinet dealers, kitchen and bath showrooms, custom cabinet makers, independent hardware stores, and the design community.

The Dimora Brands collection of industry-leading brands includes the following:
